

CITY OF SOUTH TUCSON

Business License Application

Chapter 11 Section 22.1 of the City of South Tucson Code sets license regulations and annual license fees for establishments doing business within the City limits. It is unlawful for any person, whether as principal or agent, or for any corporation, to commence practice, transact or carry a trade, occupation, or business within the City limits without first having procured a license from the City to do so. Selling of goods in the public rights-of-way is not permitted, and a business license will not be issued to anyone wishing to do so.

On May 1, 2008, Governor Napolitano signed Laws 2008, Ch. 152 (House Bill 2745) into law. The new law contains a "licensing eligibility" (A.R.S. § 41-1080) preventing a municipality from issuing a (new or renewed) license to an individual unless the individual has provided the municipality with one of the forms of identification listed in the law.

To become or remain eligible for a license, all proprietorships must complete the attached form, staple a photocopy showing both sides of your identification to the back and return to the address below. Only provide one of the forms of identification listed on the attached eligibility form (mark an "X" next to the one you are submitting.) Please note that this applies to all "individual" licenses and not entities such as Corporation and LLC's.

Exceptions to the licensing requirements include the following:

1. Non-profit educational institutions, fraternal and service clubs, bona fide religious organizations, and agencies or any federal, state, or local governments.
2. Non-profit private clubs where a basic membership fee covers the cost of the use of facilities.
3. Community organizations/special events upon approval of City Clerk.
4. Business and trades, which are exempt from licensing and tax regulations under federal and state/statutes.

All Home-Based Businesses must receive a zoning clearance from the Planning and Zoning Department prior to applying for a business license. (Please call the Planning and Zoning Department Office for more information 520-792-2424)

On September 28, 2009, the City of South Tucson adopted a Neighborhood Preservation Ordinance (NPO), Chapter 7 of the City of South Tucson City code that holds landlords accountable in providing crime-free housing to the residents of South Tucson and enforcing a zero tolerance to those who violate this ordinance.

Attached is the application for your use. Please fill it out completely and return to: City Clerk, City of South Tucson, 1601 South 6th Avenue, South Tucson, Arizona 85713. If the business is physically located in the City of South Tucson two physical copies of a Site and Floor Plan will be required for review by the Planning and Zoning Department and the Building Inspector for approval. (See the attached examples of the Site and Floor Plans)

You will be contacted to pick up your business license upon building and or fire department inspection requirements. Please allow 3-4 weeks for processing. Thank you for your cooperation.
